MINER LEGACY SOCIETY

The Miner Legacy Society honors those who have made a planned gift or have informed us of their intention to make a planned gift to our Hospital. In 1958, Mr. and Mrs. Stanley H. Miner established their legacy when they left a $3 million bequest to our Hospital. The Miners remind us of the importance of planned giving and the significant impact it can have. We are grateful to our Miner Legacy Society members who have left a legacy in support of our mission:

- Mildred B. Capuro
- George Ehinger, Jr.
- Helen H. Fraser
- Max K. Hall and Elizabeth Jane Hall
- Johnson Family Trust
- Peter C. Lee
- The Reverend Richard S. Parker
- The Reverend Vernon C. Stutzman

Please contact the Department of Development if you have or plan to include NewYork-Presbyterian Brooklyn Methodist in your estate plans—through a bequest, life insurance plan, trust or other planned giving option—so that we can have the opportunity to thank you with membership in this society.

Every effort has been made to ensure the accuracy of this listing for 2016. If your name has been omitted or misspelled please accept our apologies and notify the Department of Development at 718.501.6880 or development@nym.org so that we may correct our records.
