

## Accommodations List

To ensure patients and their families can remain close during the patients hospital stay, we have compiled a range of accommodation options near our facilities. NewYork-Presbyterian (NYP) offers short-term facilities on campus as noted below with prices that are the same throughout the year. We also have special rates with the hotels and apartments listed here. Note that prices do not reflect taxes unless otherwise indicated and can vary by season. If you would like to call these locations on your own, please mention NewYork-Presbyterian Hospital to obtain the negotiated rate and confirm your room will have the listed amenities.
