Accreditation
NewYork-Presbyterian Queens is accredited by the Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.

NewYork-Presbyterian Queens designates this live activity for a maximum of 3.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement
NewYork-Presbyterian Queens relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.

Directions
NewYork-Presbyterian Queens is located on the corner of Booth Memorial Avenue and Main Street in Flushing. From the Long Island Expressway: take the Main Street Exit (#23), travel north on Main Street to Booth Memorial Avenue. From the Whitestone Bridge: take the Van Wyck Expressway to the College Point Blvd. Exit, turn left on College Point Blvd. and right on Booth Memorial Avenue. Follow Booth Memorial Avenue to Main Street. From the IRT Flushing Line #7: train to Main Street (last stop), then Q44 bus southbound on Main Street; stops opposite the Hospital. NewYork-Presbyterian Queens is located in a residential area with metered parking. Free lock-and-park spaces are available under the Van Wyck Expressway at College Point Blvd, and 58th Road. Shuttle buses to the Hospital run approximately every 10-15 minutes. Limited paid parking is available in our Visitor Parking Lot located on Booth Memorial Avenue opposite the NewYork-Presbyterian Queens Emergency Room.

Special Needs
NewYork-Presbyterian Queens is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 718-670-1419.
The Changing Paradigm of Cardiac Disease Management: Translating Guidelines into Clinical Practice

NewYork-Presbyterian Queens
Theresa and Eugene M. Lang Center for Research and Education 56-45 Main Street, Flushing, NY

Statement of Need
Heart disease remains the most common cause of death in men and women in the United States. Remarkable advances in cardiovascular medicine and technology evolve at rapid pace and directly affect clinical guidelines. Physicians and allied health professionals require continuous updates on the most recent guidelines in order to offer their patients innovative treatment. In a busy clinical setting, it can be a challenge to stay abreast with the most recent advances and guidelines. This program will provide physicians and allied health professionals with the latest guidelines that are relevant in clinical cardiovascular medicine.

The program attendees will have a unique opportunity to review guidelines in a group setting with a panel of experts.

Target Audience
The program attendees will have a unique opportunity to review updates on the most recent guidelines in order to offer their patients into Clinical Practice.

Educational Objectives
It is intended that NewYork-Presbyterian Queens CME activity will lead to improved patient care. At the conclusion of this program, participants will be able to:
• Describe the updated management of atrial fibrillation and the latest addition in therapeutic options available and their applicability to clinical practice.
• Specify indications for transcatheter aortic valve replacement, transcatheter mitral valve intervention and appropriate indications for referral to a valve team from an outpatient setting.
• Identify patients with left ventricular diastolic dysfunction and current management options in everyday clinical practice.
• Describe what clinicians should know about cybersecurity risks in the medical environment of implantable medical devices including how to reduce the risk of exposure, and how to discuss cybersecurity risks with patients.
• Specify the new hypertension guidelines and their applicability to current clinical practice.
• Describe components of Preventive Cardiology: Risk assessment and evaluations in routine clinical practice.

Program Chair
Sahadeo Daveshwram Rammuth, MD
NewYork-Presbyterian Queens
Non-Invasive and Clinical Cardiologist

AGENDA
7:30 a.m. - 8:00 a.m.
Registration and Breakfast

8:00 a.m. - 8:15 a.m.
Introduction

Chairman, Department of Medicine
Joseph T. Cooke, MD
NewYork-Presbyterian Queens
Associate Professor of Clinical Medicine
Associate Professor of Public Health
Weill Cornell Medical College

Chief, Division of Cardiology
David J. Slotwiner, MD, FACC, FFRS
Cardiac Electrophysiologist
NewYork-Presbyterian Queens
Assistant Professor of Medicine
School of Health and Policy and Research
Weill Cornell Medical College

8:15 a.m. - 8:45 a.m.
Update: Atrial Fibrillation Guidelines
JoonHyuk Kim, MD, FACC
Attending, Cardiac Electrophysiology Laboratory
NewYork-Presbyterian Queens

8:45 a.m. - 9:15 a.m.
Preventive Cardiology and Risk Assessment
Gregory T. Pontone, MD, FACC
Director, Outpatient Cardiovascular Services
Attending Physician
Division of Cardiology
NewYork-Presbyterian Queens

9:15 a.m. - 9:45 a.m.
Update: New Hypertension Guidelines
Samuel J. Mann, MD
Professor of Clinical Medicine
Weill Cornell Medical College
Hypertension Specialist
Attending Physician
NewYork-Presbyterian Hospital

9:45 a.m. - 10:00 a.m.
Break

10:45 a.m. - 11:00 a.m.
Cybersecurity and Medical Devices: Communication Strategies for Clinicians
David J. Slotwiner, MD, FACC, FFRS

11:00 a.m. - 11:30 a.m.
Diastolic Heart Failure and Management
Parag Goyal, MD, MSc
Assistant Professor of Medicine
Weill Cornell Medical College
Advanced Heart Failure and Geriatric Cardiologist
Assistant Attending Physician
NewYork-Presbyterian Hospital

11:30 a.m. - 12:00 p.m.
Transcatheter Valve Intervention
Dimitrios V. Avgerinos, MD, PhD, FACC
Assistant Professor of Cardiovascular Surgery
Weill Cornell Medicine
Attending Surgeon
Department of Cardiothoracic Surgery
NewYork-Presbyterian Hospital

Emmanuel Moustakakis, MD, FACC, FSCAI
Director, Coronary Care Unit
Invasive and Interventional Cardiologist
NewYork-Presbyterian Queens

12:00 p.m. - 12:15 p.m.
Panel Discussion/Q&A with Cardiology Faculty
Closing Remarks

12:15 p.m. - 1:15 p.m.
Lunch
