

NEWYORK – PRESBYTERIAN HOSPITAL FINANCIAL AID POLICY SUMMARY

NewYork-Presbyterian Hospital has a long-standing policy to assist patients who receive health care services at our hospital and are in need of financial aid, regardless of age, gender, race, national origin, socio-economic or immigrant status, sexual orientation or religious affiliation.

IF YOU HAVE A FINANCIAL OBLIGATION TO NEW YORK – PRESBYTERIAN HOSPITAL (HOSPITAL), AND BELIEVE YOU CANNOT AFFORD TO PAY, NYPH HAS A FINANCIAL AID POLICY WHICH CAN ASSIST QUALIFIED PATIENTS.

HOW DO I KNOW IF I QUALIFY FOR FINANCIAL AID?

- Residents of New York State may qualify for Financial Aid for medically necessary emergency services. Residents of Hospital's primary service area may qualify for Financial Aid for medically necessary non-emergency services.
- For NewYork-Presbyterian/Columbia (including Morgan Stanley Children's Hospital of NewYork-Presbyterian), NewYork-Presbyterian/Weill Cornell, NewYork-Presbyterian/Lower Manhattan and NewYork-Presbyterian/Allen, the primary service area consists of the five boroughs (counties) of New York City.
- For NewYork-Presbyterian/Westchester, the primary service area consists of the following counties: Westchester, Bronx, Orange, Putnam and Rockland.
- Patients who meet the above criteria and have incomes below the amounts shown below may be eligible for Charity Care.

PERSONS IN FAMILY OR HOUSEHOLD	INCOME (EFF. 1/17/2020)
1	\$76,560
2	\$103,440
3	\$130,320
4	\$157,200
FOR EACH ADDITIONAL PERSON, ADD:	\$26,880

- Financial Aid eligibility generally will be determined upon completion of a Financial Aid application.
- This Policy does NOT apply to the charges of physicians or other providers who bill independently for their services. Hospital's ACN (clinic) providers ARE covered by the Financial Aid Policy.

WHAT KIND OF ASSISTANCE CAN I GET?

- Hospital will not charge patients eligible for its Financial Aid program more than amounts generally billed (AGB), to individuals who have insurance for emergency or other medically necessary care. For all other care, an eligible individual may not be charged more than Hospital's gross charges. The Hospital calculates the AGB using the prospective method, and bases that rate on current New York State fee-for-service Medicaid rates.
- An installment payment plan will be made available to eligible patients.
- Once your application has been submitted, you may disregard any bills until we have rendered a decision on that application.
