Primary Care Providers: Session 2	March 27, 2018	3:00pm - 4:00pm	Register Now

## Session 1: VBP 101 Hosted by NYP/Queens PPS

### **Lesson Overview**

 Provide basic knowledge of value based payment (VBP) strategy, with a brief history and overview of the core concepts and stakeholders.

### What You'll Learn

- VBP Basics What, Why, When
- State & National Trends
- Options for Each VBP Arrangement (Structure & Level)
- Readiness Self-Assessment & Planning

## **Session 2: NYS Roadmap Hosted by NYP PPS**

#### **Lesson Overview**

 Discuss how NYS views DSRIP as preparation for ongoing and expanded reimbursement reform beyond the waiver period.

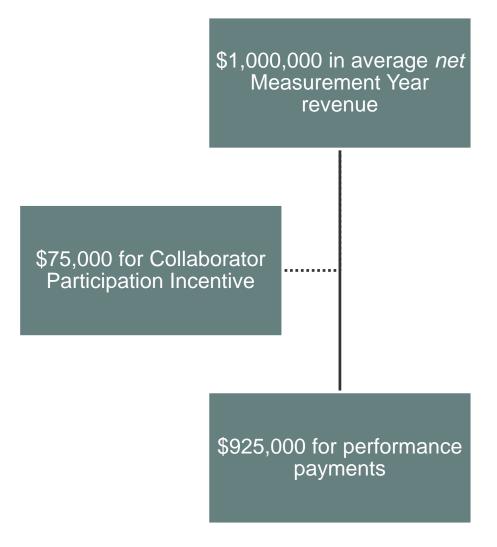

### What You'll Learn

- 1. Key milestones in NYS' timeline for VBP implementation.
- Learn how NYS plans to encourage DSRIP objectives and measures to be mirrored in Managed Care Organization (MCO) provider contracts and IPA/ACO arrangements.
- 3. Understand which patient populations NYS will target for VBP arrangements and which is best for your organization.

### **Debrief of December Executive Committee Actions**

## **FUNDS FLOW MODEL UPDATE**

## **Executive Committee Approved a New Funds Flow Breakdown**

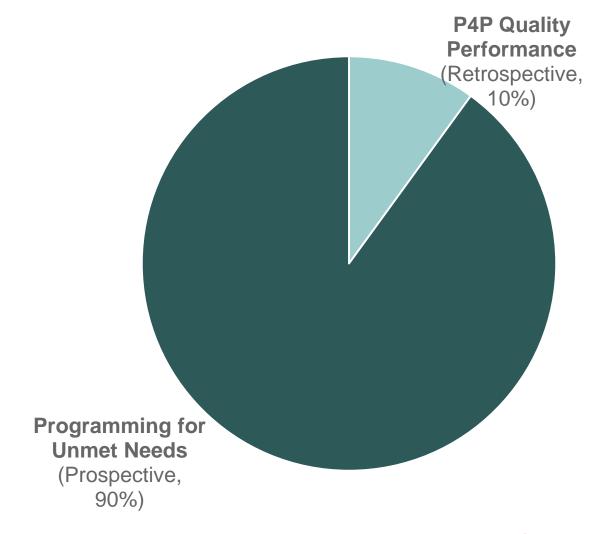

## **How to Balance Performance Payments?**

### \$925,000 available for distribution

- 1. Reward performance on quality metrics (retrospective)
  - Recipients are PCPs and Health Homes
  - Pay on past performance; set new goals for coming year
  - E.g. P4P performance dollars
- 2. Incentivize programming for unmet needs in access to primary care, behavioral health and appropriate ED use (**prospective**)
  - Recipients are primarily CBOs
  - Pay to meet intervention milestones
  - E.g. CBO Impact Grant

# Funds Flows will be Allocated to 10% Retrospective & 90% Prospective

### **Next Steps**

## **CBO IMPACT FUND**

## **CBO Impact Fund is First Element of Prospective Programming for Unmet Needs**

**Expand existing interventions for unmet needs in access to primary** care, behavioral health and appropriate ED use.

- 11 organizations submitted responses to RFP;
- Wide range of proposed interventions;
- Review group begins meeting in January;
- Final decisions announced in February.

### **Refer to Budget Report**

## **METRIC & BUDGET UPDATES**

## **Metric & Budget Alignment**

Based on observations in November 2017 budget report, what performance metrics should we look at next month?
