--	--

*See special instructions on back.

**All nuclear tests utilize Technetium. Thallium or Myoview may be specifically requested in advance.

*Serum creatinine <1.4 mg/dL is required prior to any contrast studies. If not contraindicated, consider prescribing metoprolol tartrate 50 mg PO the night before and the morning of the test.

Clinical Findings/Reasons for Study/Consult:

Physician Signature

Special Instructions

Stress Echocardiogram:

- Wear comfortable clothes and shoes/sneakers.
- Please have light breakfast between 7AM and 8AM, no lunch.
- Please check with your physician as to whether to take your medications.

Exercise Treadmill Test, Dobutamine Echocardiogram:

- Wear comfortable clothes and shoes/sneakers.
- Please have nothing to eat or drink starting the night before your test.
- Please check with your physician as to whether to take your medications (medications may be taken with a sip of water).
- Test is in two parts.

Cardiac Contrast CT Studies:

- Please have nothing to eat 2 hours prior to your CT scan.
- Please check with your physician whether you have a recent blood test assessing kidney function.
- Please check with your physician as to whether you can take a medication to slow down your heart rate to improve study quality.

Vasodilator Thallium Test:

- No caffeinated beverages for 48 hours prior to the test.
- Please have nothing to eat or drink starting the night before the test.
- Please check with your physician as to whether to take your medications (medications may be taken with a sip of water).
- Test is in two parts. After the morning part, you will need to return 3 hours later.

Transesophageal Echocardiogram:

- Please have nothing to eat or drink starting the night before the test.
- Medications may be taken up to one hour before the test with a sip of water.

Parking

Parking is available 24 hours a day in the pay parking lot on Booth Memorial Avenue between Main Street and 141st Street. This is a self-parking lot, but there are attendants who may valet your car (at no extra charge) if the lot begins to fill up with cars.

Upon leaving, please pay for your parking before you get into your car. Please use one of the two automated pay machines that accept Visa, Mastercard, American Express, Discover and Cash. They are located at the parking lot.

Driving Directions

FROM LONG ISLAND:

Via the Grand Central Parkway — Take the GCP to the Long Island Expressway east. Take Exit 23 toward Main St. At first traffic light, turn left onto Main Street. Proceed three traffic lights to Booth Memorial Avenue.

Via the Long Island Expressway — Follow the LIE west to Main Street (Exit 23) in Flushing. Make a right at the end of the exit onto Main Street. Proceed to second light on Booth Memorial Avenue.

Public Transportation Directions

From Northern Queens — Flushing Line #7 train to Main Street (last stop). Take the Q44 bus southbound on Main Street to Booth Memorial Avenue.

From Southern Queens — E or F train to 169th Street station. Go to the Jamaica bus terminal, and take the Q44 bus northbound to Main Street and Booth Memorial Avenue.

From Long Island — LIRR to Flushing Station (Port Washington line). Take Q44 bus southbound to Main Street and Booth Memorial Avenue.
